REQUEST FOR CERTIFICATE OF CORRECTION
PURSUANT TO 37 CFR 1.322

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

It is respectfully requested that a Certificate of Correction be issued in U.S. Patent No. 7,355,438, granted April 8, 2008.

In the printing of the patent claims, the Patent Office omitted the phrase "of the" in Claim 6. This phrase uses the definite article which unambiguously refers to a particular element. Without the definite article, the element may be considered ambiguous and applicant, therefore, believes that a Certificate of Correction is required.

Respectfully submitted,
